

PICTURE YOUR MICROBES COMPETITION

Did you know
that we have
10 times more
bacteria in and on our
bodies than we
do human cells!!

Send us your:

Drawings, paintings, models, films, cartoons..... of your microbes for a chance to win an I-pod for you and a visit from one of our scientists to your school with a set of "Food is Funky" experiment kits for your classroom.

Learn more about all the work these bacteria do and more at www.microbemagic.ucc.ie

Send your entries (Including your Name, School and a description of your project)

****Closing Date 5th November****
