

## UCC Science for All 2018 - Science Communication Competition - OPEN FOR ENTRIES

*Are you passionate about your research? Do you want to learn how to communicate your research to the general public?*

**FIRST PRIZE €500!**

**UCC Science for All** is a competition which encourages young scientists to communicate their research to the general public in an easily understandable manner.

The competition, now in its 14<sup>th</sup> year, is open to **senior postgraduate students** (not first years as you need some results to talk about!) in UCC Colleges of Science Engineering & Food Science and Medicine & Health in which students give a 10 minute presentation on their research to the general public in an easily understandable manner without jargon.

All entrants will receive training in presentation skills and writing about science for the general public, which will prove invaluable for their careers.

The competition is part of the postgraduate module PG6014 for which 5 credits are available.

To book your place, please email Dr. Catherine Buckley, Communications and Outreach Manager APC Microbiome Ireland at [c.buckley@ucc.ie](mailto:c.buckley@ucc.ie).

**Closing date** for receipt of abstracts is **5pm Friday, 23<sup>rd</sup> February**.

**Training** will be provided on **6<sup>th</sup> February & 27<sup>th</sup> February**.

**Heats** will take place on the **8<sup>th</sup> of March**.

**The Final** will be held on **Thursday, 22<sup>nd</sup> March 2018 at 6pm**.
